Re: Notice of Oral *Ex Parte* Communication
GN Docket No. 09-191, WC Docket No. 07-52

Dear Ms. Dortch:

On November 23, 2010, I spoke via telephone with FCC Chief of Staff Edward Lazarus. This notice is submitted in compliance with Section 1.1206(b) of the Commission's Rules.

I addressed Public Knowledge's opinion with regard to the Commission adopting open Internet rules based upon the legislative framework proposed recently by Representative Waxman. I stated that while the framework is a good starting point for rules, the Commission's final rules should include the following: 1) the definition of broadband Internet access service proposed in the Commission's Notice of Proposed Rulemaking in the above dockets; 2) identical treatment for wired and wireless networks; and 3) a presumption against paid prioritization.

Sincerely,

Gigi B. Sohn
President
